The reply to the above-noted Office action in the form of a Notice of Appeal is enclosed herewith.

(3) Terminal Disclaimer

The law firm of the undersigned attorney received a phone call from Examiner Yan at the U.S. Patent and Trademark Office with regard to the above-identified U.S. patent application, stating that the application was abandoned due to Applicants' failure to timely respond to the Advisory Action dated December 19, 2002 from the USPTO. The Examiner stated a Notice of Abandonment would be sent but none had been received.

Applicants hereby petition the Assistant Commissioner for Patents under 37 C.F.R. § 1.137(a) for revival of the unavoidably abandoned patent application, and to withdraw the holding of abandonment of this application on the grounds that the undersigned attorneys for Applicants did in fact respond to the December 19, 2002 Advisory Action. At the same time, Applicants filed a Petition For Two Months Extension of Time. Enclosed are copies of the Notice of Appeal (1 page) and Petition For Two Months Extension of Time (1 page). The Notice of Appeal includes a signed Certificate of First Class Mail dated January 24, 2003 (1 page) and shows that the above-stated

According to our financial records, the issued check for \$730.00 (copy enclosed) has not been charged so far. Applicants have also not yet received the return receipt postcard (copy enclosed) that had been filed with submission.

Therefore, Applicants petition the Commissioner for Patents for Revival of this Application, and hereby authorize any charges required to be charged to deposit account No. 50-0552.
